Financial Technology

WORK EXPERIENCE

Intern
Intercloud Limited, Dhaka   March-2021 to April-2021
Duties/Responsibilities

I got a chance to complete my Industrial Attachment program in Intercloud Limited. It helps to develop my communication skills. It gave me an understanding of how an IT company works in a system. The internship provided me the exposure of on the job training.

RESEARCH

Thesis Title: Security and Privacy Issues in 5G Authentication and Key Agreement (AKA) Protocol

Summary: Security vulnerabilities of the 5G AKA (Authentication and Key Agreement) protocol and the existing authentication vulnerabilities in 4G that also affect the 5G AKA protocol are addressed.

Supervisor: Dr. Mohammad Shafiul Alam Khan, Director and Associate Professor, IIT, University of Dhaka
